Look What We Learned

THEMES:

This semester we have been exploring hibernation, dinosaurs, the circus, outer space, and the movies! We have been doing activities, listening to stories, participating in group discussions, and practicing our manners with our friends. We have been having so much fun learning and growing!

ENJOYING THE NICE WEATHER!

What's New

BUTTERFLY GARDEN

This week we started learning about Spring time. We are also going to be starting a butterfly garden project. We will be designing our garden, planting seeds, and taking care of our garden. We can't wait to see our plants as they begin to grow!
